

# General Policies

*The key to a successful function is advance planning and a mutual understanding between both parties. The following policies have been established so that we can do our part to insure you a successful event.*

**GUARANTEES:** *Guaranteed guest counts are required at least one week (seven days), prior to the scheduled function. If no guarantee is received by that time, the guest count at the time of booking will be considered the final guarantee.*

**BANQUET MENU:** *A uniform menu must be selected for the entire group. All food and beverage items must be purchased through the hotel. Special dietary requests can be accommodated by the hotel, with a one-week advance notice.*

**PRICES:** *All food and beverage prices are subject to change due to market conditions. Firm prices will be quoted 60 days prior to the event. An 18% service charge and applicable tax will be added to all food and beverage functions.*

**ADVANCE DEPOSITS:** *An advance deposit of \$200.00 is required on all functions, unless prior payment arrangements have been made.*

**CREDIT POLICIES:** *Payment in full is due at the conclusion of the function, unless direct billing has been approved.*

**CANCELLATIONS:** *All functions are considered tentative and subject to cancellation unless a signed confirmation is received by the catering department. Any confirmed function will require a one-month (30 days) cancellation notice to avoid an assessment charge of **50% of total function bill** by the hotel.*

**DAMAGES:** *The person arranging the function agrees to be responsible for, and to reimburse the hotel for any damages that may occur on the hotel property by anyone associated with the function.*

**HOTEL POLICY:** *The hotel reserves the right to inspect and control all functions being held on the premises.*

**BANQUET AND MEETING ROOMS:** *Room rental charges apply to all rooms used for meeting and/or banquet functions. Assignment of rooms is based on the number of people guaranteed. Should this number increase or decrease, we reserve the right to change the room assignment with notification. Room rental, when prorated, is done so based on a minimum number of participants and/or food sales generated by the group. We reserve the right to add or increase room rental with notification should counts dramatically decrease from guarantees.*

Please sign below your understanding of the above policies and return.
